bathrooms, and glass folding doors that make entire walls disappear within seconds, give you the freedom to bring the garden into the home and enjoy the beautiful Aruban climate, or enclose your luxurious suite when you desire privacy and the modern comfort of air conditioning. But it is not just the unique design of the home and the natural beauty of the garden that will make your vacation here one to remember. You will likely get the impression that you are in your own private resort rather than in just another house rental as you explore the property and find places like a garden pool surrounded by giant rock boulders and palm trees, a white sand barefoot dining area under a thatched roof, ancient Buddha statues protruding from an imposing rock wall with powerful waterfalls cascading into the crystal waters of a 13 meter long lap swimming pool, a stone seating area outside a natural cave, a private cinema with stadium seating, a 6 person jacuzzi, a hammock cove nestled among giant boulders and palm trees, an outdoor gym hiding under a large palapa, several outdoor lounges, three bars, a yoga pavilion overlooking the lush greenery of the garden, and even a white sand beach with real Caribbean sand and a swimming pool on each end. All of that in a secluded location that offers complete and unrestricted privacy from the outside world rarely found on the island. As soon as the massive iron gate of the retreat closes behind you, you will find yourself in your own tropical paradise, where no prying eyes can ever intrude upon your solitude. You will likely be amazed by the calm and peaceful serenity of the place when relaxing in a hammock under the star dotted Caribbean sky, or when taking a shower in the moonlight, surrounded by bamboo palms, hearing nothing but an occasional song of the cicadas or chirps of crickets. Yet, whenever you decide to venture out, you will be just a few minutes drive from the shops and restaurants of Palm Beach and white sands and blue waters of Eagle Beach. You will be able to enjoy the entire property and all its amenities in complete privacy. You will have free use of a smartphone with a 4G data plan during your stay.
